Therapy Dog Class

Presented by Top Notch Dog Training (Top Notch Dogs, LLC)

Prepare your dog to take the AKC Canine Good Citizen and/or Therapy Dog International Certification test. During the class we will simulate the test environment and prepare the dog (and you) for the exercises that you will encounter during the test.

For the AKC Canine Good Citizen test, dogs must be:

- 6 months of age or older
- Licensed to the owner
- Show proof of current vaccinations
- Have sound & stable temperament

For the TDI Therapy Dog Test, dogs must be:

(TDI also requires your veterinarian to complete a form that lists your animal's vaccination or titer & test history. In addition, your veterinarian must sign a statement indicating that the dog is of sound & stable temperament)
