This fun course will use your dog's natural scenting ability. If your dog has a nose, they can participate. There are no obedience pre-requisites, but your dog does have to be able stay in your car while other dogs take their turns. This course will teach your dog to use their natural ability to hunt and scent. Nose work will give your dog an opportunity to burn mental and physical energy while building confidence, and strengthening your relationship with your dog.

This class is limited to an enrollment of 6-8 students, so it is essential that you return the form below with your payment. If the course is full, you will be notified immediately. You may also call to confirm enrollment if you wish. ***Bitches that go into season are allowed to attend class wearing sani-panties!*

VACCINATIONS: *New students or students who have not had vaccination history verified by Top Notch within 6 months, must bring dog's vaccination history to first class, or enclose with registration.*

Please DO bring your dog to the first meeting of class as all class weeks are active training.

Dogs will need a non-correcting collar (buckle or quick snap) or harness and a light 6 foot leash (Gentle Leaders & no pull harnesses will not be allowed - they impede a dog's forward motion).

Bring plenty of **soft, high value, SMELLY treats in tiny pieces** (fish or liver treats that don't crumble, hot dogs, etc) in a treat pouch (not a plastic bag!) If you have any questions please call or email.
