TRIAL ENTRY INFORMATION

Trial Entry Open and Closing

- The draw period for the trial will open on Thursday, August 22, 2024 at 12:00 pm EST. Entries will be awarded by random draw of all entries received between 12:00 pm EST Thursday, August 22, 2024 and 12:00 pm Saturday, August 24, 2024.
- Trial entry will close at the end of the draw if the trial and wait list are deemed full. If the trial and wait list are not full, the trial will remain open for entries until they are deemed full or the day of the trial.
- We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 5 business days to complete your payment to confirm your space in the trial.

Entry Method

All entries will be on-line via the link provided to the NACSW trial entry form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive a confirmation from the Trial Host Contact, Pat Tetrault, nwtrialtopnotch@gmail.com to let you know if your entry has been given a space in the trial.

Entry Requirements & Selection

A Qualified Entry is one that meets all the following criteria:

1. Complete the on-line trial entry during the draw period listed above.
2. The Handler is a NACSW member in good standing for the 2024-2025 membership year (8/1/24 - 7/31/25).
3. The Dog is registered and in good standing with the NACSW.
4. Dogs participating in a trial must be at least one year of age.
5. The Dog has achieved the prior title level and ORT title (passed all 3 odors) at least 14 days before the trial opens for entries. This applies to all levels.
6. Qualified entry for NW2 – Dog has earned a NW1 title level and has not yet earned a NW2 title.
7. Qualified entry for Level 2 – Dog has earned the Level 1 title for Interiors but has not yet earned the Level 2 title for Interiors.
8. Qualified entry for Elite Select – Dog has earned a minimum of one NW3 title or any one L3 title (L3I, L3E, L3C, or L3V). Note that teams with higher titles (Elite Division and Summit) are also eligible to compete.

Trial spaces will be determined in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries received during the draw period listed above.-
- Once the trial opens for entry, if you are having technical difficulties entering during the 48 hour draw period, please email trialentry@nacsww.net prior to the end of the draw period. For any other questions that are not related to the trial entry system, contact the Trial Host Contact, Pat Tetrault, nwtrialtopnotch@gmail.com
- No dog will be given a space in more than one trial of the same level and type at a single event.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. If multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT title or title requirements. These entries will be accepted pending completion of the requirements. **Note:** dogs must earn their ORT title and prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title or ORT title is earned less than 14 days prior to the event, it is the handler's responsibility to notify the Trial Host Contact, Pat Tetrault, nwtrialtopnotch@gmail.com that the requirement has been completed.
- If the trial level and wait list are not full after all entries received during the draw period have been processed, entries will continue to be accepted in the order they are received until the trial and wait list are deemed full.
- For Exhibit Only Dogs (FEO): Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results. Host is offering spaces to 1st dog FEO teams and 2nd dog FEO teams. If space remains after all qualified entries are accommodated on Friday, August 30, 2024, then we will offer spaces for those who wish to run a dog For Exhibition Only (FEO). Second dog/handler FEO entries on the same day will be offered spaces after Friday, September 20, 2024.
- The trial host of an event has the right to refuse entry of any handler or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.
- Some trial entries may be given priority entry based on contributions to the organization and the trial process.

LOCATION DETAILS

ADA Site Specific Conditions

This location is a Fairground. Most pathways are paved, however there may be walks through grassy areas and some areas may be on a dirt floor or uneven ground.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, these conditions may be modified at the last minute.

Modeled after real-life detection work, NACSW events are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Events frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Handlers should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at events. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this event at their own risk.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, the details below may need to be modified at the last minute.

Parking

Parking will be on grass with minimal shade. Please bring whatever you need to keep your dog comfortable.

RV Parking

There is space for RVs to park in the handler parking area during the event day. Please let the Trial Host Contact, Pat Tetrault, nwtrialtopnotch@gmail.com know as soon as possible. RV parking may be farther away from search areas. **No overnight RV parking is available.**

Running Vehicles or Generators in the parking lot

Running your vehicles or generators in the parking lot is allowed at this event as long as you have permission from your neighbors or are willing to park away from others.

Reactive Dog Parking

There will be reactive dog parking at this event for those who wish to park in this area, however you must let the Trial Host Contact, Pat Tetrault, nwtrialtopnotch@gmail.com know at least 7 days in advance if you are requesting reactive parking. There will not be separate warm up boxes or a separate potty area for reactive dogs.

Unentered Dogs

Unentered dogs must remain in the handler's vehicle during the event day. There will be ample potty areas, but unentered dogs should not be allowed to "play", exercise, or train on the event grounds.

DOG INFORMATION

Dog Policies

- All dogs must be on a 6' leash at all times when not searching. NO flexi-leashes while not participating in a competition search.
- Dogs that need space from dogs may wear a red bandana, provided by the dog's handler, to help signal others that the dog needs extra space from other dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating search space, interrupting a search, or from viewing any part of the searching.
- Handlers should expect to keep their dogs confined in a crate or vehicle when not searching. The logistics of an event typically do not allow for dogs to hang out on leash in between searches. Handlers should plan to provide their own shade using canopies or shade cloths.
- Refer to Location Details (above) for information on unentered dogs.

Females in Season

Females in season will be allowed to run wearing "pants" at the end of each search after all other dogs have been judged. Handlers with females in season should park and toilet their dogs away from the other dogs if the location logistics permit. Handlers must email the Trial Host Contact, Pat Tetrault, nwtrialtopnotch@gmail.com so plans can be made for the dog.
