Is walking your dog a drag?

It doesn't have to be. This 3 week mini course is designed to help end the constant battle of pulling on leash. During this course, Instructors Stefanie & Cheryl will help you to accomplish the following -

1. You will see things from the dog's perspective, allowing you to understand the WHY of leash pulling.
2. Help you learn how to become your dog's advocate, keeping him (and you) safer.
3. Teach you to become aware of the dog's environment and triggers in the area.
4. Learn how to manage your dog's on leash behavior.
5. Become a better partner with your canine companion.

Dogs must be friendly in nature and non aggressive towards people and other dogs!

Detach and mail this portion with your *non-refundable* \$100 check (\$95 for current students), payable to:
